

This is an explanation how to go if you want to reach us from Khanom, or Don Sak. From both start points start to drive to Surat-Thani. If you are in a public bus from the ferry-pier, stand beside the driver at the point you have to get out the bus. Even if he knows where you have to get out the bus, he will not stop. This to collect a financial support from the TukTuk driver who brings you back to us.
